INDEED BREWING STORY

At Indeed Brewing Company, we're cultivating an artfully eclectic line-up of beers from the heart of Northeast Minneapolis and Milwaukee.

Our taprooms are warm, welcoming, and home to Indeed We Can, the company's employee-driven charitable giving program that donates 100% of taproom net profits to an employee-sponsored local nonprofit every Wednesday of the year.

Indeed believes innovation isn't just one thing—it's a culture created around good people, beers, and experiences.
